

## **Privacy Policy**

GDPR regulates the processing of information relating to you and grants you various rights in relation to your personal data. Gate Automation Solutions Limited is committed to ensuring that your privacy is protected and that it complies with its obligations under the GDPR.

This Statement explains how we use information that you provide to us when you use this site.

### **Privacy**

Gate Automation Solutions Ltd may request information from you such as your name, address, telephone number, e-mail address and other information relating to your interests and products. This information will not be shared with any other companies or third parties.

### **What do we use your information for?**

Any information we collect from you may be used in the following ways:

Information submitted may be used to contact you or send you information in relation to your enquiry.

To process transactions.

### **Do we use cookies?**

We do not use cookies.

### **Do we disclose any information to outside parties?**

Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested by the customer.

### **Certain Exceptional Disclosures**

We may disclose your information if necessary to protect our legal rights or if the information relates to actual or threatened harmful conduct. Disclosure may be required by law or if we receive legal process.

### **Your Consent**

By using our site, you consent to our Privacy Policy.

### **Changes to our Privacy Policy**

If we decide to change our policy we will post changes on this page.

This policy was last modified on 22/05/2018
